

# PUBLIC NOTICE

## The Basin Environmental Improvement Project Commission Special Conference Call Meeting March 15, 2018

The Basin Environmental Improvement Project Commission will conduct a special conference call meeting from 1:00-3:00 PM at the Panhandle Health District Office, 35 Wildcat Way, Kellogg, Idaho. The public and interested parties are invited to attend the call in meeting where the BEIPC Commissioners and staff will discuss two issues by conference call.

The meeting will include approval of the December 6, 2017 BEIPC meeting notes and presentation and consideration of a request from eight jurisdictions in the Upper CDA River Basin for assistance from the BEIPC concerning flooding issues.

The meeting draft agenda is posted at the BEIPC office, 1005 W. McKinley, Kellogg, ID and on the BEIPC Website @ [www.basincommission.com](http://www.basincommission.com).

For more information and for individuals planning to attend the meeting requiring special needs, please contact Terry Harwood, BEIPC Executive Director at (208) 783-2528 or [terry.harwood@deq.idaho.gov](mailto:terry.harwood@deq.idaho.gov).
