

TLG CONFERENCE CALL SUMMARY
June 15, 2006

Participants:

Mark Masarik
Dave George
Rog Hardy
Bill Adams
Mike Beckwith
Rebecca Stevens
Jeri DeLange (Note Taker)

This summary provides the salient issues. These notes are intended to capture key topics, conclusions, and next steps and not the nuances of the discussion.

Agenda Items: None

Mark Masarik led the call as the Chair, Brian Spears, was unavailable. He asked if there were any agenda items to discuss for the upcoming BEIPC meeting on June 21. Dave George asked if Michael Bogert (EPA) would be attending. Bill Adams indicated that it was his understanding that he would be.

Round Table:

Adams: Mentioned that work had started on the lower area at the Constitution and that they would be moving materials to the upper area. For the Golconda, he said that the design work was almost completed and then it would be going to the Corps of Army Engineers. Regarding the Rex, he reported that working on the design took a lot of time and that he would be meeting with the BLM on issues for the buttress. Adams also informed everyone that he would be giving an update on mine/mill work at the BEIPC meeting next week; and that monitoring at Canyon Creek is continuing.

Beckwith: Indicated that he has been working on getting ready for the BEIPC meeting.

Stevens: Nothing to report.

George: Informed everyone that he would not be able to attend the BEIPC meeting, but indicated that John Roland would be there.

Hardy: Brought up that there would be an ICP PFT call by Rob Hanson tomorrow, June 16. He also brought up that Kootenai County should have their position ready on the ICP tomorrow.

Masarik: Nothing to report.

DeLange: Nothing to report.

Schedule: The next TLG conference call will be scheduled 6/22/06. Thank you for your participation.
