## **You're invited! July 27, 2023 • Repositories Community Information Session**

**When:** July 27, 2023, 4:00 p.m. – 7:00 p.m.

**Where:** Panhandle Health District, 35 Wildcat Way, Kellogg, Idaho 83837

**Participate virtually:** <https://usepa.zoomgov.com/j/1604391640>

The Citizens Coordinating Council of the Basin Environmental Improvement Project Commission and the EPA invite you to a community information session. Come learn about why waste repositories and waste consolidation areas are a critical part of the Coeur d'Alene Basin cleanup, also known as the Bunker Hill Superfund Site. Share your ideas during facilitated question and answer breaks between presentations. Everyone is welcome and no registration is required.

### **At this session, you will learn:**

- History of the Bunker Hill Superfund Site
- EPA's waste management strategy
- How EPA ensures repositories and waste consolidation areas stay secure and protective
- History of public engagement to date on repositories and waste consolidation areas
- And more

**Objective:** This is an information-sharing session focused on repository and WCA management and operation at the Bunker Hill Superfund Site. There will be opportunity for Q&A but this is not a public comment session.
